AUDIO VISUAL SOLUTIONS FOR HOSPITALITY APPLICATIONS

peerless-AV™

peerless-AV™

MADE IN USA

UNPARALLELED PEOPLE, PROCESSES AND PRODUCTS

Peerless-AV stands as a leader in the audiovisual mounting industry for more than 40 years. We consistently deliver innovative solutions that focus on quality, simple installation and functionality.

At Peerless-AV, we consider a "solution" to be more than the product itself. A true solution encompasses how the product is made, how it gets to you and the service you receive. We devote care and attention to every element of our AV solutions so we can fulfill the sum total of your needs.

CONTINUOUS INNOVATION

We are always adding new products to keep pace with the constant changes in AV technology.

ADVANCED MANUFACTURING

We design, manufacture and test products in our U.S.-based facility; ensuring that all products will meet your exacting standards.

COMMITMENT TO QUALITY

We guarantee your satisfaction—designing for ease of installation, improved durability, better aesthetics—your needs guide our manufacturing process, from conception to production.

Guests today want an over-the-top great experience; and they expect to enjoy amenities that are as good, or better, than what they have at home. Hoteliers are motivated to provide this experience, offering the latest in flat screen TVs, the newest and most innovative technologies and virtual concierge services to inform and entertain the guest. The challenge becomes incorporating technology for function, as well as aesthetics and design appeal.

For almost as long as the TV set has been a part of the hotel guest experience, Peerless-AV has been at the forefront of innovation in TV installation mounting solutions and accessories. Working closely with hotel owners and designers, and technology providers, we stay on the leading edge of what is, and will be needed for optimizing the placement of TVs in hotel rooms, and throughout the hotel.

New technologies like touch screens, interactive displays, digital signage, and mobile devices have changed the way we shop, communicate and interact with one another. Keeping the guest entertained and informed is paramount to staying competitive. Peerless-AV has industry's most comprehensive line of solutions for outfitting the entire hotel facility, including solutions for digital signage advertising, wayfinding and interactive displays and kiosks.

We understand the importance of creating that one of a kind guest experience. As the industry leader in Custom Solutions, we'll help you solve even the most complex design and technology integration challenges. With unsurpassed industry experience, technical expertise and state-of-the-art facilities, we quickly take projects from concept through successful production. Our dedicated team of industry experts is here to support you, because you are our guest.

DESKTOP SWIVEL MOUNTS & SECURITY SOLUTIONS

HP455 shown

1. **OPTIMUM VIEWING ANGLE**
   Offers up to 360° of swivel for flexible TV positioning

2. **CLEAN APPLICATION**
   Internal cable management for a clean installation

3. **ADJUSTABLE HEIGHTS**
   Easy vertical adjustment to accommodate various TV sizes

4. **UNIVERSAL SCREEN ADAPTERS**
   Accommodates a variety of TV models

5. **SECURITY SCREWS**
   Prevent tampering or theft by securing the TV

HP432-002(-S)(-GB)

DESKTOP SWIVEL MOUNT
COLOR: Black, silver or gloss black

- Built-in swivel up to 60° (±30°) allows for adjustable viewing angles
- Base stand bolts down for safety and security
- Adjustable height allows for greater flexibility
- Security screws prevent tampering and theft

HP447

DESKTOP SWIVEL MOUNT
COLOR: Black

- Built-in swivel up to 360° allows for optimum viewing angle
- Base stand bolts down for safety/security
- Adjustable height allows for greater flexibility
- Cable management internally through the mount and down through the mounting surface
- Decorative base is aesthetically pleasing and hides desktop mounting hardware
- Security screws prevent tampering and theft

HP455

UNIVERSAL DESKTOP SWIVEL MOUNT
COLOR: Black

- Built-in swivel up to 360° allows for optimum viewing angle
- Base stand bolts down for safety and security
- Adjustable height allows for greater flexibility
- Cable management internally through the mount and down through the mounting surface
- Decorative base is aesthetically pleasing and hides desktop mounting hardware
- Security screws prevent tampering and theft

HP437-C

DESKTOP SWIVEL MOUNT
COLOR: Black

- Built-in swivel up to 360° allows for optimum viewing angle
- Base stand bolts down for safety and security
- Adjustable height allows for greater flexibility
- Cable management internally through the mount and down through the mounting surface
- Decorative base is aesthetically pleasing and hides desktop mounting hardware
- Security screws and key locks prevent tampering and theft

HLG models

BASE STAND LOCK-DOWN PLATE
COLOR: Black

- Plate quickly attaches to bottom of TV base stand
- Slope nut security hardware attaches the plate to the desktop surface
- Slim, low-profile hides plate from view
- 1" (25mm) of front-to-back adjustment
- Includes all necessary mounting hardware*

  * ACC939: 2.25" (5.72 cm) carriage bolts for thicker desktop surfaces

Contact customer care for the sku compatible with your screen

FLD-UNV(-S)

BASE STAND LOCK-DOWN KIT
COLOR: Black or silver

- Securely mounts TV base stand to most surfaces with tamper-resistant hardware
- Low-profile clips remain hidden when installed

WIRELESS MULTIMEDIA SOLUTIONS

1. READY, SET, GO
Confirms that the 802.11n private secure network has been set up and is ready for wireless signal transfer up to 131ft

2. PLUG-AND-PLAY
Plug-in up to 4 AV components and easily switch between them with the included remote

3. TOTAL CONTROL
Built-in IR controls source devices without need for line-of-sight device placement

4. DISCREET APPEARANCE
Small and sleek footprint makes it easy to fit HD Flow receiver(s) into any environment

HDS100(-2)(-3)(-4)

HDS100-2 shown

HD FLOW™ WIRELESS MULTIMEDIA KIT
COLOR: Gloss Black

- Full HD 1080p (60Hz) (24/30/60 fps) signal flow ideal for ultra-fast signal transfer
- Long range, high- quality streaming up to 131ft with no reduction of picture quality
- Broadcast up to 4 wireless HD Receivers*
- Instant real-time transmission of HD media with no latency
- Transmits through walls and ceilings for multi-room capability
- HD Flow's 802.11n private secure network resists interference and network sharing from nearby wireless routers
- Built-in IR does not require line-of-sight placement to control source devices such as DVR/set-top box, satellite box, Blu-ray/DVD player, media server, VHS, game console
- HDCP compliant
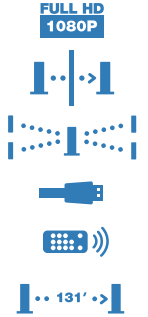

FULL HD 1080P

| Full HD 1080p (60Hz) (24/30/60 fps) signal flow ideal for ultra-fast signal transfer |
| Transmits through walls and ceilings for multi-room capability |
| Broadcast up to 4 wireless HD Receivers* |
| Plug-and-play setup requires no software or driver installation |
| Built in IR does not require line-of-sight placement to control devices so devices can be hidden out of sight |
| 131' streaming range with no reduction in picture quality |

PEERAIR™ INTEGRATION KITS AND MODULES

HDS-IWK-100 | HDS-IWM-100

WIRELESS INTEGRATION KIT AND MODULE

- Quick and easy integration with virtually any mount
- Specially designed for use with HD Flow HDS100 receiver unit and HDS-R model
- Provides 3-tap grounded outlet for wireless components and display power allowing for only one extension cord to be routed to the power outlet
- Provides cable management routing portal and excess cable storage area for a clean installation
- Compliant with VESA® 200 x 100, 200 x 200mm mounting patterns and universal mounting patterns up to 800 x 400mm
- HDS-IWK-100 includes HD Flow Wireless Multimedia Kit, housings, 2x universal integration brackets, 2 x 2.5ft (0.75m) HDMI cables for a seamless installation
- HDS-IWM-100 requires HD Flow Wireless Multimedia Kit (HDS100) for wireless functionality

HDS-PWK-100 | HDS-PWM-100

WIRELESS PROJECTOR INTEGRATION KIT AND MODULE

- Quick and easy wireless integration with any Peerless AV's Projector Mount using the Spider® Universal Adapter Plate
- Specially designed for use with HD Flow HDS100 receiver units and HDS-R models
- Provides flexible installation anywhere long the 360 degree circumference of the Spider® Universal Adapter Plate
- Horizontal adjustability to accommodate virtually any projector size
- HDS-PWK-100 includes HD Flow Wireless Multimedia Kit, universal integration brackets, 2 x 1.5ft (0.5m) HDMI cables for a seamless installation
- HDS-PWM-100 requires HD Flow Wireless Multimedia Kit (HDS100) for wireless functionality

HDS-OWK-100 | HDS-OWRE-100

WIRELESS OUTDOOR INTEGRATION KIT AND MODULE

- Safeguards AV and electrical components from elements such as rain, snow, splashing water and debris
- Designed to support HD Flow HDS100 receiver or other electrical components
- Includes easily removable sub-panel for component securement
- Includes Cam Lock for secure installation
- HDS-OWK-100 includes HD Flow Wireless Multimedia Kit, housing, universal integration brackets, 1 x 2.5ft (0.75m) HDMI cable for a seamless installation
- HDS-OWRE-100 requires HD Flow Wireless Multimedia Kit (HDS100) for wireless functionality

STANDS AND CARTS

Shown SC560DPS

1. NO WALL, NO PROBLEM!
Complementing the décor of any environment, this stand is the ideal addition, when mounting to a wall is not an option

2. CLEAN APPEARANCE
Cables are easily routed from display to base of the stand for a clean installation

3. TAMPER-PROOF BASE
Keep devices and content drivers safely hidden from sight

4. INDUSTRIAL STRENGTH
Attractive base supports up to 400lb (181kg)

AV RACK CUSTOM SOLUTIONS

Trust your electronic components with the same award-winning design and manufacturing excellence that the world's largest companies have been trusting for over 40 years: Peerless-AV.

Our CFR, BFR and EFR racks have a static load rating up to 12,250lb, while the QER is UL certified to 600lb. All are available in a variety of sizes, and feature a new line of accessories that expands the racks design capabilities and options. With our new online rack configurator, you can easily design your own unit, obtain drawings, see billing information, and have your product delivered more quickly.

Configure your custom rack now @ racks.peerless-av.com
