32" LED HDTV

Low Cost, High Quality

Continuus has developed a line of energy efficient LED TVs for the cost conscience long term care market. We started with a low cost, high quality LED TV, then added the most common needed commercial features. Our full line of TVs use a master remote/user remote system. To eliminate IR cross interference in semi-private rooms, we added a Bed1/Bed2/Bed3 IR options.

- Bed 1/2/3
- Front Panel Lockout
- Input disable function
