

# Desire

Beautiful, reliable, and  
affordable connectivity panel

Connect to Your World

Guest Connectivity Panel

For properties that desire basic connectivity in a cost effective, sleek form factor, G-LINK™ offers Desire – a beautiful, reliable, and affordable connectivity panel. With traditional AV ports such as HDMI, VGA, RCA, and Aux Audio, Desire provides the proper inputs for guests to connect almost anything they carry. Two USB charging ports provide the power guests need to fuel their mobile lifestyle.

#### Instant Connection

- “EZ-ON” puts your guests’ video on the HDTV without any special steps by automatically detecting the guests’ device

#### Popular Technology

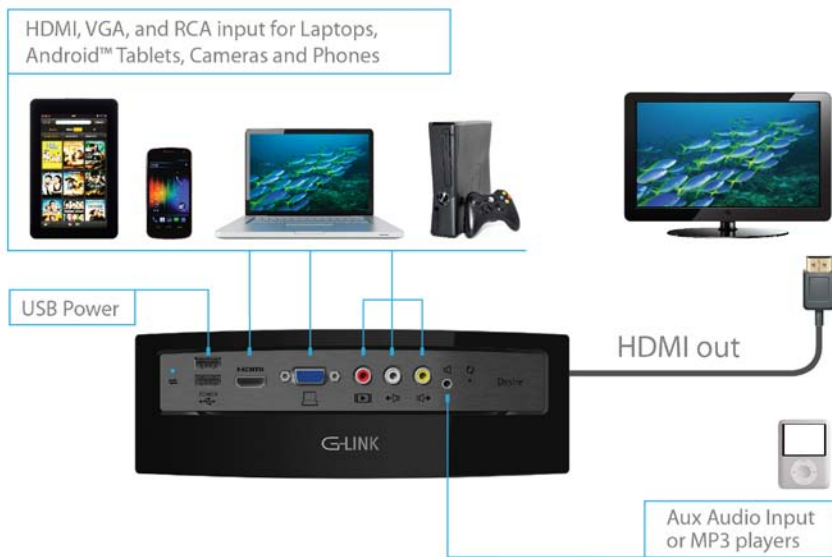

- Connectivity for your guests’ favorite devices including Apple®, Android™, Windows, and others (with appropriate guest supplied cable)
