Commercial Features

DirecTV DRE IR pass-through . . . . . . Allows the TV to pass commands from the TV remote to the DirecTV box.

ATSC Tuning Mode. . . . . Select between physical or virtual channel numbers, giving your headend distribution system optimal flexibility.

Antenna/Cable Merge . . . . Ability to merge different video frequencies into a single channel lineup.

AUX Inputs In Channel List . . . . Adds inputs to the channel list to allow access using the CH buttons.

Auto Detect Side A/V . . . . Allows users to easily connect peripheral devices to side input without use of remote.

Direct Tuning Access. . . . . Prevents guests from accessing channels that are not programmed in the TV channel list.

Channel Labeling . . . . Allows channels to have individual customized labels and numbers.

Initial Channel . . . . Sets the input/channel for the TV to tune when turned on.

Channel Hold . . . . Locks current channel to prevent channel changes by user.

Initial CC. . . . . Choose a close caption mode when TV is turned on.

Volume Limiter/Initial Volume . . . . . Sets the minimum, maximum and initial volume settings when the TV is turned on.

USB Cloning Capable . . . . Allows rapid duplication of TV configurations for easy installation and maintenance.

USB File Play. . . . . Allows guests to play MP3 and JPG files, as well as charge mobile devices.

Auto Power On . . . . Selectable power state of the TV after a power cycle.

Auto Power Off . . . . Allows the TV to turn off after a selectable period of inactivity.

Master & Guest Remotes. . . . . Separate remotes for configuration and operation.

Bed 1/2/3 Capable . . . . Allows simultaneous control of multiple TVs in the same room.

Front Panel/Menu Lockout . . . . Allows facility to disable front panel and menu controls to make television "tamper proof".

Splash Screen. . . . . Ability to add facility logo to startup screen using a JPG file and USB.

Control Port . . . . RS-232C allows for integration with "infotainment" providers and video conferencing equipment.

Energy Saving Features. . . . . No signal/activity power off, ambient back lighting control, less than .5 watt in standby mode, low power LED.

Matte Black Finish . . . . An elegant look that resists visible finger prints.

VESA Standard Mount Pattern . . . . . Wall mount your TV using standard mounts.

2 Year Exchange Warranty . . . . We ship you a new TV immediately to minimize down time.
