Replacement

## Patient Room Features

<b>Slim 1.8" Cabinet</b>	A thinner cabinet reduces weight, and allows the TV to sit closer to the wall when mounted.
<b>Bed 1/2/3</b>	Up to three TVs can be controlled in the same room without interfering with each other.
<b>Antenna/Cable Merge</b>	Ability to merge different video frequencies into a single channel lineup.
<b>Channel Labeling</b>	Allows channels to have individual customized labels.
<b>Digital/Analog Channel Sort</b>	Allows channels to be sorted by type instead of by channel number.
<b>Auto Detect Side A/V</b>	Allows users to easily connect peripheral devices to side input without the use of remote.
<b>Initial Channel</b>	Sets the input/channel for the TV to tune when turned on.
<b>Channel Hold</b>	Locks current channel to prevent channel changes by user.

<b>Volume Limiter/Initial Volume</b>	Sets the minimum, maximum and initial volume settings when the TV is turned on.
<b>USB Cloning Capable</b>	Allows rapid duplication of TV configurations for easy installation and maintenance.
<b>USB File Play</b>	Allows guests to play MP3 and JPG files, as well as charge mobile devices.
<b>Auto Power Off</b>	Allows the TV to turn off after a selectable period of inactivity.
<b>Master &amp; Guest Remotes</b>	Separate remotes for configuration and operation.
<b>Front Panel/Menu Lockout</b>	Allows facility to disable front panel and menu controls to make television "tamper proof".
<b>Low Power Usage</b>	Uses only 41 watts while in full operation.
<b>Energy Saving Features</b>	No signal/activity power off, ambient back lighting control, less than 1 watt in standby mode, low power LED.
<b>VESA Standard Mount Pattern</b>	Wall mount your TV using standard mounts.
<b>1 Year Exchange Warranty</b>	We ship you a new TV immediately to minimize down time.
