Lodging Features

Integrated Pro:Idiom	Provide secure, on-demand HD content to your guests.	USB File Play	Allows guests to play MP3 and JPG files, as well as charge mobile devices.
DirecTV DRE IR pass-through	Allows the TV to pass commands from the TV remote to the DirecTV box.	Auto Power On	Selectable power state of the TV after a power cycle.
ATSC Tuning Mode	Select between physical or virtual channel numbers, giving your headend distribution system optimal flexibility.	Auto Power Off	Allows the TV to turn off after a selectable period of inactivity.
Antenna/Cable Merge	Ability to merge different video frequencies into a single channel lineup.	Master & Guest Remotes	Separate remotes for configuration and operation.
AUX Inputs In Channel List	Adds inputs to the channel list to allow access using the CH buttons.	Front Panel/Menu Lockout	Allows facility to disable front panel and menu controls to make television "tamper proof".
Auto Detect Side A/V	Allows users to easily connect peripheral devices to side input without use of remote.	Splash Screen	Ability to add facility logo to startup screen using a JPG file and USB.
Direct Tuning Access	Prevents guests from accessing channels that are not programmed in the TV channel list.	Control Port	RS-232C allows for integration with "infotainment" providers and video conferencing equipment.
Initial Channel	Sets the input/channel for the TV to tune when turned on.	Energy Saving Features	No signal/activity power off, ambient back lighting control, less than .5 watt in standby mode, low power LED.
Channel Hold	Locks current channel to prevent channel changes by user.	Matte Black Finish	An elegant look that resists visible finger prints.
Initial CC	Choose a close caption mode when TV is turned on.	VESA Standard Mount Pattern	Wall mount your TV using standard mounts.
Volume Limiter/Initial Volume	Sets the minimum, maximum and initial volume settings when the TV is turned on.	2 Year Exchange Warranty	We ship you a new TV immediately to minimize down time.
USB Cloning Capable	Allows rapid duplication of TV configurations for easy installation and maintenance.		

Specifications

Audio/Video	
Display Area	42" Diagonal
Display Resolution	1920x1080
